## Report on Guest lecture on Insight on IPR and Patents in Life Sciences

A guest Lecture on “ Intellectual Insight on IPR and Patents in Life Sciences” was organized by UG Department of Botany at Alva's College moodubidire on 1.2.2017 at KUVEMPU HALL. Dr Siddaraju, Assistant Professor in Botany, University College, Mangaluru was the resource person. Mr Manohar, faculty of UG department of Botany welcomed the gathering. Dr Siddaraju spoke on basics of IPR, requirement of IPR, applicability of IPR in Life Sciences and method of filing patent. He also described the copy right and copy right infringement.

Principal Dr Kurian in his presidential address mentioned that IPR is very important. He suggested not indulging in Plagiarism even writing assignment. Ms Anusha of IIIBSc MBB proposed vote of thanks. A total 102 students participated in the program.
