We were suppose to repeat the Slogan "We will Grow" taught by the Resource person. in between the activities.

Inspirational thoughts like,

Nobody can stop you if you are with stability & consistency.

If somebody says you can't do it

look around and see

- Start with the venture

Put your best self forward

Be Creative and dynamic

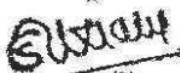

Finally you will succeed.

You are the reason what you are... etc.. was taught to us.

Story of Arunima Sinha was given as an example to lead our life confidently and to have belief in others.

• Before the beginning of activities we were told to list out our problems which we face in our routine life, so that at the end of the session we would find a solution atleast for one of our problem.
