

Annual report of Mind View Forum for the year 2014-15

Mind View Forum was initiated with the objective of providing basic knowledge about Psychology and to help the members to understand oneself better.

47 students were registered as members of Mind View Forum for the academic year-2014-15. Vijayalaxmi of 2nd B.Sc. served as the Forum Secretary. Every Saturday various programmes were held for the forum members under the guidance of the Forum Co-ordinator, Ms. Pravallika B Lecturer, Department of Psychology. Significant sessions conducted in the forum are: Time management, Assertiveness, attention, Case study analysis, Goal Setting, Impression Formation, Handwriting analysis and common diseases and prevention. After the talk on the above said topics of psychological importance, related and meaningful activities were conducted for concept clarity and better understanding by the students. Also a debate on reality show and Poster Exhibition were organized to provide a platform to exhibit talents of the students.
